## Presentación

Una elección es un proceso de toma de decisiones usado en las democracias modernas donde los ciudadanos votan por sus candidatos o partidos políticos para que actúen como representantes en el gobierno.

México inició su vida republicana creando sus propias instituciones y sus directrices y a través de los procesos electorales se fueron construyendo las reglas del ejercicio electoral.

En 1951 se estableció por primera vez que la responsabilidad de la vigilancia y desarrollo de un proceso electoral, corresponde por igual al Estado, a los partidos registrados y a los ciudadanos mexicanos. En 1986 se reformó el artículo 60 Constitucional para incorporar por primera vez en el texto constitucional la existencia de organismos electorales.

A raíz de la creación de los organismos electorales, se han venido realizando las elecciones a través de un organismo público, dotado de personalidad jurídica y patrimonio propio, con el fin de ciudadanizar la función electoral, como es en el caso de nuestro Estado, por conducto del Instituto Electoral y de Participación Ciudadana de Tabasco.

Por lo que, la presente estadística es un factor de suma importancia en el proceso de los resultados que se obtuvieron el día de la Jornada Electoral, por la participación de los ciudadanos que concurrieron a depositar su voto por cada partido político contendiente para los cargos de elección popular.

En este marco conceptual el Instituto Electoral y de Participación Ciudadana de Tabasco, asumió plenamente su responsabilidad en la organización, desarrollo y vigilancia del proceso electoral, apegado a los principios rectores que rigen nuestro Instituto, el de certeza, legalidad, independencia, imparcialidad y objetividad.

El proceso electoral, implicó realizar un procedimiento complejo de programas, convenios, planes, lineamientos, capacitación, objetivos y metas, conjugando esfuerzos entre autoridades electorales, partidos políticos, medios de comunicación y ciudadanos.

El proceso electoral ordinario inició formalmente el 15 de marzo de 2006, y es así como el Instituto Electoral y de Participación Ciudadana de Tabasco, fue estructurando paso a paso cada una de las etapas del Proceso Electoral, a través de todos los mecanismos organizativos implementados, para llevar a su término la jornada electoral, culminando el 15 de octubre de 2006 al elegir al titular del Ejecutivo, a los Diputados integrantes de la LIX Legislatura y a los integrantes de los 17 Ayuntamientos de la entidad.

El desarrollo del proceso electoral, fue observado en todo el ámbito territorial y fuera de él, por la ciudadanía en general, la vigilancia de los partidos políticos y los Observadores Electorales que asistieron a dar certeza y corroborar que dicho proceso estaba dentro del marco jurídico electoral que nos señala la Constitución Libre y Soberana de Tabasco y el Código de Instituciones y Procedimientos Electorales del Estado de Tabasco.

La tarea que realizó el Instituto Electoral y de Participación Ciudadana de Tabasco, deja constancia del fortalecimiento de esta institución, así como del trabajo y loable esfuerzo que llevó a cabo un ejército de ciudadanos que contribuyeron a consolidar nuestro sistema electoral y el régimen democrático que los tabasqueños hemos construido, mejorando la efectividad y transparencia de los sistemas existentes.

Es por ello, que el año 2006 significó para el Estado de Tabasco un año de intensa actividad política y a través de la edición de las estadísticas se reafirma el compromiso del Instituto Electoral y de Participación Ciudadana de Tabasco, con la ciudadanía de Tabasqueña.
